Our aims

Promoting the diverse fields of IP management via

- **Networking:** strengthen the bonds of professional confraternity of IP Managers of various countries and facilitate their professional relations
- **Information platform:** collect information of professional interest in the various countries and distribute the same for the use of its members
- **Institutional relationships:** establish and maintain trusting and cordial relations with official or private organizations dealing with questions in the field of Intellectual Property Management
- **Education:** promote the training and continuing education of its members and those interested in the Management of Intellectual Property, e.g. through conferences, seminars, lectures, etc

What we have done so far

- **Networking:** found and run the present association ;-)
- **Information platform:** Establish a Web page and Forum platform for discussions <http://www.i3pm.org/forum/>
- **Institutional relationships:** relationships with the CEIPI <http://www.ceipi.edu/index.cfm>, PATEV [http://patev.de/en/index.php /](http://patev.de/en/index.php/) Wurzer & Kollegen <http://www.wurzer-kollegen.de/>, and econique <http://www.econique.com/en/events-by-region.html>
- **Education:** contributions to IAM article (patent trolls) and a book on IP management (IP-manager, A. Wurzer, publication planned July 2009), and establish three working groups (**P**rofessional **Q**ualification **C**ommission, **E**conomic **S**tudies **G**roup, **I**ndustries **P**atent **O**bservatory)

Next important meeting

First General assembly of I3PM, to which all members are cordially invited to participate

Saturday, January 23, 2010

in the Munich area (details to be given later)

Topics for this General Assembly can be proposed up to October 23, 2009

Statutes and membership

- **Statutes**

- **Membership form**

To date, persons who successfully passed the Master of IP Law and Management (MIPLM) will be routinely accepted as I³PM members

Of course, individual consideration of skills is possible, and honorary members with outstanding experience and contribution in the field of IP Management are being enrolled as well

The annual subscription is currently € 35,-- for each individual member of I³PM (except honorary members)
