Conference I3PM-BETA-CEIPI

The I3PM association, together with the <u>CEIPI</u> and <u>BETA</u> (Bureau for Economic Theory and Applications, a research laboratory of the University of Strasbourg, University of Lorraine and the French National Centre for Scientific Research CNRS), organized on March 23, 2015 in Strasbourg a Conference on the "IP Management Challenges in Open Innovation Environments". This conference was considered as a big success and is part of the initiative "I3PM meets academia", which I3PM wishes to develop further in the next years. Further information as well as pictures of the event, summaries and full presentations is available via the following link.

I3PM at the Eurobrand Forum

The President of I3PM, Peter Bittner, participated actively in a panel discussion at the Eurobrand Forum 2014, which took place in Vienna. This conference, organized by the European Brand Institute, in cooperation with the US Embassy, focused in 2014 on Innovation & Trademarks. Further information, including a picture of the panelists is available via the following internet link.

IP Valuation Final Report

The IP Valuation Final Report from the Expert Group, drafted for the European Commission, DG Research and Innovation, is available via the internet link below. The report addresses amongst the topics of IP valuation approaches, methods and standards, IP valuation in the context of raising finance, IP valuation and accounting and reporting, IP valuation in litigation. It further proposes policy actions to monitor IP transactions and IP valuation practices and to facilitate IP secured lending and introduce an additional reporting section for IP.
